

The London Moving Planner

A complete step-by-step relocation guide covering budgeting, packing, booking, utilities, and moving day preparation.

1. BUDGETING

- Estimate removal costs (include ULEZ/Congestion/Parking suspensions).
- Set aside funds for tenancy deposits or legal conveyancing fees.

2. BOOKING & LOGISTICS

- Book your professional moving crew at least 4-6 weeks in advance.
- Confirm parking bay suspensions with your new London Borough.

3. PACKING

- De-clutter early; sell or donate surplus items to save on transport costs.
- Procure double-walled boxes and heavy-duty transit protection.

4. UTILITIES & ADMIN

- Notify energy and water providers of your move-in/out dates.
- Set up Royal Mail Redirection for at least 3-6 months.

5. MOVING DAY PREPARATION

- Pack your "First-Night Box" (essentials like kettles, chargers, and toiletries).
- Take timestamped photos of utility meters before leaving.
